SEMIPACK[®] 1

Thyristor / Diode Modules

SKKT 57 H4 SKKH 57 H4

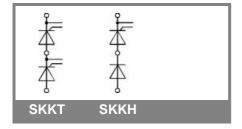

Features

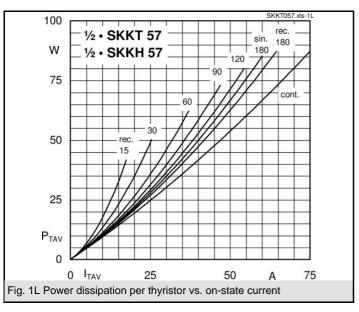

- Heat transfer through aluminium oxide ceramic isolated metal baseplate
- Hard soldered jounts for high reliability
- UL recognized, file no. E 63532

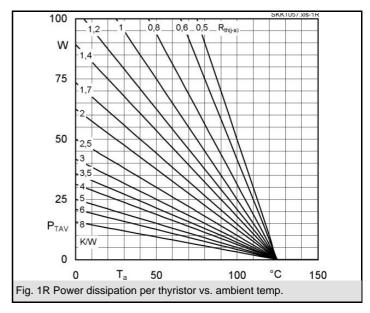

Typical Applications*

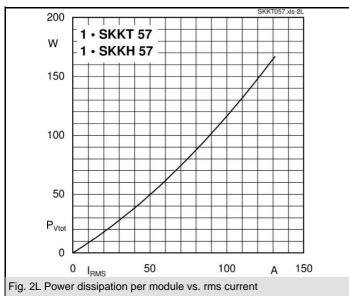

- DC motor control (e. g. for machine tools)
- · AC motor soft starters
- Temperature control (e. g. for ovens, chemical processes)
- Professional light dimming (studios, theaters)
- 1) See the assembly instructions
