

EAN: 4013288209580
Part number: 05134000001
Article number: Kraftform Micro Big Pack 1

Size: 235x110x80 mm
Weight: 571 g
Country of origin: CZ
Customs tariff number: 82054000

- 25-piece Kraftform Micro screwdriver set in a robust and compact roll bag
- Kraftform Micro handle for fast and ergonomic working
- Tools with anti-roll protection and rotating cap for fast turning
- The Wera Black Point tip offers an exact fit and optimum corrosion protection
- Take it easy tool finder: colour coding according to profile and size

Wera Micro screwdriver set for fine mechanical screw connections. By supporting the hand on the rotating cap, and by the fast rotating zone below the rotating cap, lightning fast turning is possible. Time-consuming hand switching is eliminated. Storage and transport in a robust roll-bag, so the correct tool is always at hand. With Take it easy tool finder: colour coding by profile and size stamping.

"Take it easy" Tool Finder

Kraftform Micro handle with swivel cap for rapid twisting

Screwdrivers with "Take it easy" tool finder: colour coding according to profile and size stamp.

Kraftform Micro Handle

Multi-component screwdriver handle for ergonomic working.

The refined screwdriver for electronics technicians

The Kraftform Micro, with its three zones and their specific arrangement, satisfies these requirements perfectly. The free-turning cap that provides support for the hand works with these advantages, enabling quick and easy precision work.

The precision zone

The precision zone directly above the blade gives the user a better feel for the right rotation angle during fine adjustment work.

The power zone

The power zone has integrated soft zones near the blade tip to ensure high torque transfer for loosening or tightening screws without losing contact with the screw.

The fast-turning zone

The fast-turning zone just below the rotating cap allows rapid twisting.

Wera Black Point tip

The Wera Black Point tip and a refined hardening process ensure long service life of the tip, improved corrosion protection and an exact fit.
